It's a good bird game and even has a frog that says "hey.". Fun, simple, and charming! Don't let the short play time ruffle your feathers, it's unique and memorable and I thoroughly enjoyed every minute of it! This game is definitely something to crow about and it'll certainly caws you to smile!. caw\u266a caw\u266

I HAVE PLAYED THIS GAME SINCE BEFORE THIS GAME WAS EVEN MADE SO I HAVE BIG EXPERT OPINIIN ON THIS GAME AND EVEN THO MY PLAYTIME IS ONLY 2 HOURS IIVE ACTUALLY PLAYED FOR LIKE 800 HOURS ACCUMULATED SO IM BETTER NYA NYAH.

Crowtel is a game where the bird wants to make their hotel good, but people want to tell him their hotel is bad. So he has to find the people who are making him look bad.

On the surface this story seems fairly basic, but play the second episode and then the story is still basic but it's nice anyways. i think it's better than the main game.

I think crow is very cute and I hope he does well in this disgusting hospitality industry because management is hell and i wouldn't wish it on anyone especially not a bird.

\$5 is fine, quite being poor.. Short game, but it's worth the \$5 just for the consistent fun and charm it provides. Seriously, this game will give you a serious case of the nonstop smiles.. This low budget indie game is bursting with charm, snappy music, and good old fashioned platforming challenge.

Check this one out, it'll make you happy for a little while.

[ADDENDUM]

Now I'm sure there's gonna be some jackwagons complaining about the price seeing as this game is only a couple hours long, but five dollars is totally worth it. That game costs less than a movie for the same length of entertainment, and this game is a whole lot better than most of the movies coming out this month, that's for sure.. A fun, quirky platformer.. This game is a great but short game
